

YOUR ANCESTORS AND YOU

INTRODUCTION

An ancestor is a person, animal or plant from whom/which another has descended or evolved. That is, a person from whom another developed gradually and naturally. One can also say that an ancestor is a source, or the past generation of the present one.

In a simple form, it could be referred to as a person in your family who lived a long time ago. For example, in your town or village it was your ancestor that came there to settle down and that is why you are calling that place your hometown.

Some say that an ancestor is a person, typically more remote than them e.g. a grandparent from whom one is descended.

Merriam- Webster says “one from whom a person is descended and who is usually more remote in the line of decent than a grandparent”.

One can then say that an ancestor is a person who is your relative that lived in the past or a person who came before your great grandparents.

An ancestor or forebear is also a parent or (recursively) the parent of an ancestor (i.e a grandparent, great grandparent, great-great grandparent and so forth). Ancestor is any person from whom one is descended. In law, the person from whom one evolved has been inherited. Two individuals have a genetic relationship if one is the ancestor of the other, or if they share a common ancestor.

Also in evolutionary theory, species which share an evolutionary ancestor are said to be of common descent. However, this concept of ancestry does not apply to some bacteria and other organisms capable of horizontal gene transfer. Anyway, this book is primarily centered on human beings and not plants or bacteria.

There is no one without ancestors except Adam the first man that was created by God. Every other man on earth emanated from the first man. Adam was created without sin but through Satan, he bequeathed sins to his generation unborn of which includes you and I.

But before you and I came into being, we came through different ancestors each of whom had used different types of means to survive in their own time which may be of good benefits or bad one for their generations today.

The Bible says in Isaiah 48:1 thus, “Hear ye this, O house of Jacob, which are called by the name of Israel, and are come forth out of the waters of Judah, which swear by the name of the LORD, and make mention of the God of Israel, *[but]* not in truth, nor in righteousness”. God in his Holy Book still traced the twelve tribes of Israel back to Jacob whose name was changed to Israel after fighting with the angel of God. The ways of Jacob still reflected in the manners and behaviours of the children of Israel. Jacob was known to be a cheat, a supplanter who subtly collected the birthright of his elder brother Esau and blessings from their father, Isaac. No wonder, God saw the same water in the Israelites; for God said that “they make mention of the God of Israel, but not in truth or righteousness”.

What am I trying to let you know? I am saying that you may not be separated from your ancestors. Your ancestor is you, either by resemblance, character or habit. Therefore, you can trace your ways of life, habits, temperaments etc back to your ancestors. Why you are behaving the way you are, why you are experiencing what you are experiencing even though you are born again. Moreso, you may go to hell if this ancestral case is not properly addressed. This book by the grace of God will open your eyes to understand the things you need to know and will at the same time reveal to you through the help of God the ways you can be delivered from the influence of the spirits, gods, sins and powers of your ancestors whether living or dead.

God bless you.

THE ANCESTORS

“This *[is]* the book of the generations of Adam. In the day that God created man, in the likeness of God made he him;

Male and female created he them; and blessed them, and called their name Adam, in the day when they were created.

And Adam lived an hundred and thirty years, and begat *[a son]* in his own likeness, after his image; and called his name Seth:

And the days of Adam after he had begotten Seth were eight hundred years: and he begat sons and daughters:

And all the days that Adam live were nine hundred and thirty years: and he died.”Gen 5:1-5.

The great grand ancestor of the whole race of human being is Adam. He was the first human being created by God and through him the whole human race emerged. Through this great grand ancestor the blessing that the creator of the universe pronounced on him were added with curses when he transgressed the commandment of the Almighty God by heeding to the voice of his wife (Eve). Eve at first heeded the voice of Satan through the Serpent.

“Now the serpent was more subtle than any beast of the field which the LORD God had made. And he said unto the woman, yea, hath God said, ye shall not eat of every tree of the garden? And the woman said unto the serpent, we may eat of the fruit of the trees of the garden:

But of the fruit of the tree which *[is]* in the midst of the garden, God hath said, ye shall not eat of it, neither shall ye touch it, lest ye die.

And the serpent said unto the woman, ye shall not surely die:

For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.

And when the woman saw that the tree *[was]* good for food, and that it *[was]* pleasant to the eyes, and tree to be desired to make *[one]* wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.” Gen 3:1-6.

The beginning of failure of the great grand ancestor, Adam started right from the garden of Eden where God kept him. God kept him there to stay, to rule and to reign over all his handiworks. But right there, a stranger (an unwanted being for that matter) came to deceive Eve, the wife to eat the forbidden fruit.

The first error committed by Adam and Eve was that they were not together, if they were together, the serpent wouldn't have succeeded on Eve as it did.

Secondly, Eve allowed the serpent into her domain. (Gen 3:1). Are you among those that open the door of their house for just anybody? It is good to be hospitable, but who do you give hospitality to? Demons and sins? Who do you open the door of your heart to? Lust of the Flesh or Pride of Life?

Thirdly, she entertained the serpent by listening to him. (Gen3:1-2). What type of music do you listen to? What type of film do you watch? What sort of websites do you visit on your phones, iPad, laptop and desktops? Are you the one that use to watch blue film and pornography pictures on your phones and over the internet? Look, the first ancestor of man did it and ended up putting all his generation into the problems that is befalling the world now.

Fourthly, she disclosed the secret of the land. (Eden) to the serpent (Gen 3:2-3). “The secret *[things belong]* unto the LORD our God: but those *[things which are]* revealed *[belong]* unto us and our children for ever, that *[we]* may do all the words of this law.” Deut 29:29.

These secret things are not for strangers, they are not to be made known to Satan or any of his agents but rather meant for you and your children. Eve disclosed her own to the serpent and he used it against her. The secret of your success revealed to you by God is for you and not for any other person. The secret of your business, ministry, home etc is for you and you

alone. The failure of our great ancestor (Adam) to keep the secret of the garden caused the whole human race to be in chaos today.

Furthermore, she disclosed the covenant between them and their God to the serpent (Gen 3:3), which Satan faulted by twisting it to be useless and nothing to reckon with. After the disclosure of the covenant of the garden to the serpent, she followed him to the forbidden place (Gen 3:6). Your visit to demonic website will cause you to be more polluted. Your visit to pornographic site will complicate your wickedness against God and man. When you visit Satan's church, antichrist church, your soul will be inside a cage in hell while you are still on earth. Your visit to occult societies for power; be it for business, ministry etc will all cause your soul to be in hell while you are still on earth.

When Eve followed the serpent to the forbidden place, she came back defiled. How will you visit a forbidden place and you will not lose your sanctification and salvation?

Her visit to the forbidden tree caused her to see what she should not have seen, and when she saw it, she could not control herself from looking unto it until she lusted after the forbidden fruit. (Gen 3:6).

The aftermath of her lust on the forbidden fruit caused her to satisfy her desire by eating out of it. Why are young children between eleven to fifteen becoming deflowered, loose and hot in immoral practices? It is just because that is what they are always watching and hearing on the television, radio, internet and phones.

Adam and Eve ate the forbidden fruit and immediately they discovered that they were naked. Their disobedience brought nakedness on them and on all generations through them.

1. The nakedness that came upon them signified that the glory of God that used to be their covering had departed from them (1 Samuel 4:22).
2. This nakedness also meant that they were no more secured, Eccl 10:8 He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bit him.

3. Thirdly, the power to rule and reign on God's handwork which was declared in Genesis 1:28 was gone in Genesis 3:7.
4. The land that was meant for their service could not serve them again; rather, they were to serve the land in order to survive. Gen 3:17-19.
5. The glory of God upon them that made them gods over all the things that God created has gone.
6. The first man on earth and his generation became slaves to the captor (Satan). Isaiah 14:16-17. "They that see thee shall narrowly look upon thee, *[and]* consider thee, *[saying, is]* this the man that made the earth to tremble, that did shake kingdoms; *[That]* made the world as a wilderness, and destroyed the cities thereof; *[that]* opened not the house of his prisoners?"

Our great ancestor has sold us to Satan and since then put the whole world into the prison of hardship, curses, death, poverty and hell.

Other ancestors after Adam are Cain, Seth, Enoch, Noah, Shem, Japheth, Ham etc. To the black race, we have Ham as our great grandfather, and this is a man whose generation was cursed by Noah.

YOU AND YOUR GREAT GRAND ANCESTORS

“Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire *[shall be]* to thy husband, and he shall rule over thee.

And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed *[is]* the ground for thy sake; in sorrow shalt thou eat *[of]* it all the days of thy life;

Thorns also and thistle shall it bring forth to thee; and thou shalt eat the herb of the field;

In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou *[art]*, and unto dust shalt thou return. Gen 3:16-19.

The great grand ancestors starting from Adam to the time of Ham the father of the black race left behind for us nothing good but curses which they divinely incurred or incurred from their fathers. Adam incurred sorrow, hard labour, sickness, failure, sin, wickedness, poverty and death. Both physical and spiritual death for his unborn generation. Why? Because of his disobedience to the simple instruction of the Almighty God.

Failure to keep God’s commandment has caused many lives to cradle in suffering from birth to the grave. It has caused many who died prematurely to open their eyes in hell and they are crying and shouting “had I know, I would have kept the law of God when I had the opportunity”.

Simple disobedience to God’s commandment has caused many to lose their glory and many walking on the street today are glory-less people, they have died while they are still alive on earth. Continuous disobedience to God’s commandment has brought many problems on the present generation, and much more, the unborn generation.

Coupled with the divine curse received by Adam on the ground where he came forth, Ham the father of the black race also incurred from his father Noah, a curse to be servant of savants for his generation unborn through his disrespect to Noah his father.

"And he said, cursed [be] Canaan; a servant of servants shall he be unto his brethren. And he said blessed [be] the LORD God of Shem; Canaan shall be his servant. Gen 9:25-26."

No wonder, despite a lot of blessings that God deposited in the Black continent (Africa) we are still using them to serve the western world. For example, I know of a country in Africa that God blessed with a lot of crude oil yet the citizens are living below the poverty line. So many countries are deposited with mineral resources such as limestone, iron ore, coal, phosphate, gold, tin, feldspar, uranium bitumen and a host of others, yet there are many people in such countries that cannot afford a three-square meal.

if this is not a curse, what will make such a country to remain in abject poverty? Though, the few that made it through crooked means never cease to deprive others the opportunity of making it. Moreso, the few that make it never stop deceiving the world that their country is rich but majority of the people are living in poverty. Go to their dunghill, you will see people trying to get some waste product from them to go and sell and yet some of their leaders, opened their mouth then, that they have never seeing their people eating from the dustbin. Deceivers!

If it's not curses, why do we have refineries built with millions of money and some of them are not functioning. Why are they still carrying crude oil to western world for refining before it is imported back to the country for usage?

If it's not curses, why is it that the Iron Ore Company that was constructed with billions of money is just there, yielding nothing to the benefit of the citizens! The few that make it are doing everything possible to take over the national organization and companies that are meant to be feeding the people. May God deliver our countries from looters.

Go to Israel, where the soil is not even so good for agriculture, yet they produce some of the best agricultural produce in the world. But the Blacks are still developing. I don't know when they will be fully developed and independent. Well, all that is happening to the race of man on earth is as a result of what the ancestors left behind.

YOUR IMMEDIATE GRAND ANCESTOR AND YOU

Isa 14:21 “Prepare slaughter for his children for the iniquity of their fathers; that they do not rise, nor possess the land, nor fill the face of the world with cities.”

Exo 20:5 "Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God [am] a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth [generation] of them that hate me."

Coupled with the errors of the great grand ancestors are the errors and problems of the immediate grand ancestor. God declared in Exodus 20:5 that He (GOD) is a jealous God, visiting the iniquity of the father on their children to the third and fourth generations of those who hate him.

The evil committed by some grand ancestors have not elapsed for four generations before another evil is committed. God said he will begin to overlook the evils after the fourth generation has passed away. Now, that the conditions for God to overlook these evils are not met but rather compounded from generation to generation; how then will the new and unborn generation be free from the anger of God? No wonder, God said in Isaiah that the slaughter should be prepared for his children because of the iniquity of their fathers. The iniquities of our fathers were so much because they never learnt how to do good nor know how to serve and reverence the mighty God of heaven and earth.

Most of the time, our fathers were found using one bigger evil to temporarily stop the already existing evil. This therefore makes their sins to become greater from time to time even from generation to generation.

YOUR IMMEDIATE GRAND ANCESTOR AND YOUR VILLAGE/TOWN

Most of the towns and villages where we are dwelling or claiming as our hometown were once inhabited by some pre-adamic beings, some spiritual beings that held those towns/villages did not give in easily to our ancestors who occupy those villages now. Before settling in your village, some of your grand ancestor offered a lot of sacrifices to appease these spiritual beings that inhabited the land. Some, they entered into covenants with those spiritual beings.

I heard of a king who succeeded his father and during his reign, things were hard for him and his subjects. The hardship made him to go into a bush alone to go and weep and at that point some spiritual beings appeared to him and they commanded him to do certain things and at the same time gave him a god which he will be worshipping with certain kind of animals as he promised them. Indeed, things changed when he complied, but those spirits that appeared to him, gave him the wealth of that land while he gave out the glory of his generation back to them in return.

I also heard of some nearby towns to the one mentioned, that they also requested for the help of those spirits and the gods given to the first town and they promised to be using human beings to worship that particular idol. But along the line, they failed. But come to think of it, what do you think will be the action and feeling of those who were sacrificed, not only that, what of the parents and relations of those that were sacrificed? 2King 17:24 says, "And the king of Assyria brought men from Babylon, and from Cuthah, and from Ava, and from Hamath, and from Sepharvaim, and placed them in the cities of Samaria instead of the children of Israel: and they possessed Samaria, and dwelt in the cities thereof."

2King 17:25 "And [so] it was at the beginning of their dwelling there, [that] they feared not the LORD: therefore the LORD sent lions among them, which slew [some] of them."

They never knew that the land they were to inhabit was a land that Jehovah, the Almighty God gave to his people. They never knew that the Israelites who were originally given the land were ejected because of their disregard and disrespect to God that gave them the land. Those people taken there by the Assyrian saw the land flowing with milk and honey but holiness and righteous living that will help them to dwell there was not embraced. They failed to enter into covenant with the Almighty God that owns that land and as a result, many of them ended up in the mouth of lions.

2Kings 17:26 "Wherefore they spake to the king of Assyria, saying, The nations which thou hast removed, and placed in the cities of Samaria, know not the manner of the God of the land: therefore he hath sent lions among them, and behold, they slay them, because they know not the manner of the God of the land."

This is the reason why many of the early ancestors consulted oracles to know the type of pre-adamic being already inhabiting the land in order to avoid the break out of pestilence, diseases, evil beasts and spirits that will devour their people.

The nations that relocated to Samaria did not have peace until they knew how to dwell in that land.

2King 17:27 "Then the King of Assyria commanded, saying, Carry thither one of the priests whom ye brought thence; and let them go and dwell there, and let him teach them the manner of the God of the land."

Until they were taught the rituals of the God of the land of Samaria, they could not dwell there peaceably. Until they submitted themselves to the God of that land, there was no peace.

Most of our ancestors submitted to the demons ruling their land before they started living in the artificial peace they had. I know of a town where in those days, people were dying mysteriously and children were falling sick of measles. During these periods, they would bring a masquerade that would carry sacrifices to a shrine leading to the town and another shrine leading out of the town. Why did they do these? Simply, to appease the spirits that

were in control of that land. But were those evil spirits pacified? Of course, no. But they only succeeded in selling the glory of their children to the demons as the coins contributed by each parent must first be used to rob their bodies and that of their children before being given to the priest.

A prophet visited that town and by the Spirit of God, he discovered that under those shrines were glories of those children in the form of eggs.

- Oh Lord, deliver me from the influence of the pre-adamic beings of my town in Jesus Name.
- Covenant with the pre-adamic beings of my town, break by the blood of Jesus.
- Generational covenant of hell working against my heaven, break by the blood of Jesus.
- My Soul that has been spiritually caged in hell, come out in Jesus Name.
- All my buried glories under any ancestral shrine in my village, town and city, resurrect back to me by the power of resurrection in Jesus Name.
- Ancestral curses fighting my divine destiny, you are broken by the blood of Jesus in Jesus Name.
- Conscious or unconscious initiation into witchcraft spirit, demonic spirit, affliction, sickness, pre-mature death and mediocrity in life be destroyed by the blood of Jesus in Jesus Name.

YOUR IMMEDIATE GRAND ANCESTORS AND YOUR EXTENDED AND NUCLEAR FAMILY

Apart from the immediate grand ancestors in your villages, towns and cities, there are those in your nuclear and extended family. These are closer to you than the earlier one. They are the most recent common ancestors to you and their blood is still fresh in your vein. These are the ancestors that you are directly and probably presently carrying their gene.

According to the book of Exodus 20:5 "Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God [am] a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth [generation] of them that hate me."

The blood of the last fourth generation is still fresh when compared to that of those ancestors that founded a village or town.

The immediate family starts from the nuclear family to the extended and this may still fall within two or three generations. Most of these immediate grand ancestors also increased the problems that were caused by the great grand ancestors and so compounded the problems of their immediate generations.

God promised to visit the iniquity of the fathers on the children from the third to fourth generations. But it is quite unfortunate that, many of these generations have not been freed from the consequences of the iniquities of their fathers because it was not yet the third or fourth generations before they either repeated the sins of their fathers or probably committed other sins which now increased the number of generation upon which God will visit such iniquity.

Many generations, past and present went through and still going through all they may be experiencing based on what their immediate ancestors had done.

By birth Reuben being the first born of Jacob was destined to be the beginning of Jacob's strength, the excellence and dignity of his power. But because of what he did by defiling

his father's bed, he ended up receiving a curse from his father that "unstable as water, he shall not excel" Gen 49:4.

Indeed, what his father said to him came to pass upon him and his generations; for Reuben was smaller in number than his brothers and he became an unknown tribe in Israel until when Moses, with a greater anointing cancelled the curse by blessing Reuben saying, "let Reuben live, and not die, nor his men be few" Deut. 33:6

Definitely, the reason for the littleness of Reuben's family was as a result of the curse placed upon him.

So also, many of our ancestors had incurred nothing but curses for us, which is fighting many till today.

But I pray that all curses fighting you through your ancestors be negated right now by the blood of Jesus.

- All my problems that are older than me, the Lord Almighty that created me put an end to it in my life in Jesus name.

Eli became the high priest in Shiloh and he was blessed with two children namely; Hophni and Phinehas, who failed to fear God but were fond of defiling the offerings of God. But before God judged them, he sent prophets to Eli to warn him and his children but when they failed to heed the warnings, God told Samuel again and said that "for I have told him that I will judge his house forever for the iniquity which he knows, because his sons made themselves vile, and he did not restrain them" 1 Samuel 3:13.

What then was God's judgment on the house of Eli "and all the descendants of his house shall die in the flower of their age" 1 Samuel 22:33b.

This prophesy indeed came to pass in the same book of 1 Samuel 22:18-19 "And the king said to Doeg, you turn and kill the priests, so Doeg the Edomite turned and struck the priests and killed on that day eighty-five men who wore a linen ephod. Also Nob, the city of the priests, he struck with the edge of the sword, both men and women, children and nursing infants, oxen and donkeys and sheep with the edge of the sword".

What God said concerning the house of Eli came to pass quicker than expected, for the generation of Eli continued from Ahitub, Ichabod's brother, the son of Phinehas who gave birth to Ahijah (1Samuel 14:3).

He also gave birth to Ahimelech (1Samuel 22:9) whom King Saul commanded Doeg to kill and all the priests that dwell in Nob. The only son of Ahimelech, Abiathar who escaped and fled after David (1Samuel 22:20) who indeed suffered with King David forfeited the office of the High Priest to another person due to his failure to stick to King David to the end just because of what God said to the house and generation of Eli that must come to pass.

1Kings 2:26 "And unto Abiathar the priest said the king, Get thee to Anathoth, unto thine own fields; for thou [art] worthy of death: but I will not at this time put thee to death, because thou barest the ark of the Lord GOD before David my father, and because thou hast been afflicted in all wherein my father was afflicted." So Solomon thrust out Abiathar from being priest unto the LORD; that they might fulfill the word of the LORD, which he spake concerning the house of Eli in Shiloh." 1King 2:26-27.

-Oh Lord, evil of my ancestors, that want me to labour without reaping the fruits of my labour, be destroyed by the blood of Jesus.

-Your curses that dispose someone when blessing is knocking at his door, be broken in Jesus Name.

-Generational curses or set back, break by the blood of Jesus.

-Ancestral covenants and curses that turns to giants following me about, you are attacked and destroyed by the blood of Jesus in Jesus name.

-Generational marks of evil on any part of my body, you are erased by the blood of Jesus.

YOU AND THE GENESIS OF YOUR FAMILY

As already considered scripturally and having seen what happened to some biblical characters in respect to their immediate ancestors, its therefore important to talk about our contemporary time.

Many who are claiming one family or the other as their family does not even try to know the origin of such family. Many families have their origin from one evil spirit or another, some from one animal or the other. The Bible says in Gen 6:1 that "And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, Gen 6:2 That the sons of God saw the daughters of men that they *[were]* fair; and they took them wives of all which they chose".

Spirits began to marry humanbeings and this resulted into absolute wickedness on earth for the "intents of his (man) heart was evil continually" Gen 6:5.

I heard the story of a woman that bought palm wine from a tapper in the bush, and one day as she was returning home with a keg of palm wine on her head, she met an old man who asked her to give him some palm wine to drink and she did. Meanwhile, this woman was pregnant. The surprising thing was that, when she gave birth, she discovered that her child was the old man she gave palm wine to. The child grew up and became one of the diabolical chiefs in that town during his time. In his life time, he had an encounter with some Christians who came to preach the gospel in that village and he was heard telling the leader of the Christian delegation that he should endure and keep his faith for the place where he will end is a glorious and beautiful place. They asked him to join them so that he may be there also, but he replied that it was already too late for him. The question is this; how did he know that glorious place if he was not there before. Can one say such a man is not a fallen angel? Even when he died, he still asked his people to call upon him whenever they are in trouble and he always appear to them whenever, they attempt it.

The generation of such a man still continues till today and it will still continue because their so called ancestor is not a human being but a spirit. How will such a

generation be able to please God? How will they be able to free themselves from the curses that have been uttered against those fallen angels? How will they escape hell and stop wickedness?

Radio Nigeria, Ibadan did the broadcast of this story several years ago. It was about a hunter who went to hunt but had nothing to kill. Later, he climbed a tree to await some of the prowling animals, then he saw a python who changed to a very beautiful girl under the tree and walked into the city, but before she came back, the hunter went to keep the skin of the python and when the python lady came back, she began to search for the python skin and at that point the hunter appeared to her and took her home to be his second wife. The python who became a woman gave birth to some children and some of them were living with the hunter's relation outside her matrimonial home.

One day, the first wife fought with the python lady and she abused her by telling her that she was a python and also stating where her skin was kept by the hunter. At this point, the python lady became quiet and she went to confirm where her skin was, so the woman became a python and she came back to kill the first wife and even the children she bore for the hunter.

Though she killed the children she bore for the hunter, those that were not living with her were spared. These children must have married and given birth to their own children. When the grandchildren of this python woman marries and give birth to their own children, who will they be referring to as their grand ancestor? Aren't these children from the generation of pythons? How then will such a generation be free from the serpentine spirit? How will they be free from cunningness, craftiness, lying and all such of sin that is associated with serpent? No wonder, in some families, it is a taboo to kill or eat snake, probably because they had one dealing or the other with snakes.

A sister was once telling me of what used to happen in her village that whenever a baby is born, there is kind of special water that they will first give to the child. More so, after some certain date, a snake will come and coil round about the new born baby and go back without harming him/her. She said that the snake is referred to as their protector. Therefore, they must not kill or eat snakes.

In some other compounds, they do not eat or kill lizards; alligators, crocodiles or monitoring lizard. Why? Because, they took it for one special animal or the other. In a family where animal is referenced, they even used to tattoo the image of that animal either on the back or the stomach of all children of that family. The praise name of some family is LION, when they are praising the children of that family either to get what is in their hand, until they are praised by connecting them to the son of lion (not the Lion of the tribe of Judah), but the demonic lion that had something to do with their family, they cannot be pleased or moved.

- Oh Lord, flush out of me, every demonic seed fighting my destiny in life in Jesus name.
- Every unknown connection with demonic spirit, be broken by the blood of Jesus.
- Blood of Jesus/3 times visit my foundation and destroy every evil therein in Jesus name.
- Covenant of hell inherited through my ancestors break by the blood of Jesus.
- Seed of beasts, in my blood, spirit, soul and body, jump out into fire in Jesus name.
- Blood of Jesus, purify my blood and make me free from polluted blood of my ancestors in Jesus name.

YOUR ANCESTRAL COVENANT AND YOU

"But I will for their sake remember the covenant of their ancestors, whom I brought forth out of the land of Egypt in the sight of the heathen, that I might be their God: I [*am*] the LORD." Lev 26:45.

God is the God of covenant; God will never first break his covenant with man.

Even, when his people went astray, he still remains faithful to the covenant he made with their fathers. The type of ancestral covenant that the Israelites enjoyed was a holy covenant made by the Holy God with their fathers, therefore, such covenant only bring them nothing but life and peace. But whenever, they break the covenant, they find themselves in problems they don't expect.

Note, as God does not forget his covenant with his people, so also is covenant made with wicked powers and spirits. This is why many families today are still under the yoke and burden of evil covenant.

I know a family, whenever they give birth to a male child, the mother of the child must eat the soup of affliction for nine days and if the child is a female, she will eat the soup for seven days. The soup aforementioned must not have salt, red oil or anything that will make it tasty.

Though the woman may be eating it with joy, yet she is indirectly cursing the child, because as she is eating the soup of affliction, the child is sucking the breast of affliction. The mother also may not know that at that time, she is immersing her child into ancestral covenants.

No wonder, whenever person gets angry in such a family, the elderly one will say that the tasteless spirit of his fathers has fallen upon him/her. Anger is a hereditary trait in such a compound.

In some families, they make sure; they keep the covenants of their ancestors by giving their new born babies special water from the source of a stream, especially at

the point where the shrine is erected. This water must be drawn by the priestess of that stream and not just any ordinary person.

Yet in some other place, the mother of the child must eat certain animals. Lizard for certain numbers of days, and by so doing they are dedicating the new child to the reptile spirit. This may explain why such children may not be free from the spirit of slow progress.

Curses and covenant of slow progress projected into my destiny through ancestral covenant be cancelled by the blood of Jesus in Jesus name.

I heard of a family where in those days, if a pregnant woman begin to have contractions, they will ask her to climb the harvest barn to deliver the baby. Afterwards, the mother will eat the soup of affliction for specified numbers of days. This is the ancestral covenant on ground in such a place.

Imagine many pregnant women who might have died at the point of giving birth. Imagine how life has been made tough and difficult for people.

- Oh Lord, by your mercy, remove every demonic ancestral yoke that is placed on me in Jesus name.
- Covenant of affliction, through ancestral covenant, break over my destiny in Jesus name.
- Habitual sin, through ancestral covenant, be wiped away from my soul, spirit and body by the blood of Jesus Christ
- Ancestral covenant that has become an unconscious evil covenant on me and is trailing my life for destruction, break by the blood of Jesus.
- By the blood of Jesus, I break free from every demonic ancestral covenant in Jesus name.

TRADITIONAL NAMES AND YOUR ANCESTORS

Name is very important in life. Because of this, God instructed Adam to give name to every animal he created, Gen 2:19" And out of the ground the LORD God formed every beast of the field, and every fowl of the air; and brought *[them]* unto Adam to see what he would call them: and whatsoever Adam called every living creature, that *[was]* the name thereof."

The name that Adam gave to them became the name they are called till today. A name has a vital role to play in a person's life and this is why people don't just give any name to anybody anyhow. The name Jabez, in 1Chronicles 4:9 which means sorrow, reflected in his destiny until he realized the evil of the name and he went to God for divine intervention. The name Jacob which means supplanter and deceiver, continued to reflect in his life until he met with God and his name was changed to Israel. Despite the change of name, probably because his immediate children have been born before the change of name, the name Jacob reflected in the life of his children. Firstly, they deceived Shechem that he should circumcise himself and his people, then they would allow him to marry their sister, Dinah. But it was just a plot for them to destroy Shechem and his people with ease. Gen.34:13-28.

Even in their dealing with God, the meaning of the name Jacob still reflected to the point that God addressed them thus in Isaiah 48:1" Hear ye this, O house of Jacob, which are called by the name of Israel, and are come forth out of the waters of Judah, which swear by the name of the LORD, and make mention of the God of Israel, *[but]* not in truth, nor in righteousness."

No wonder, the same God said that they drew near to him with their mouth but their heart is far away. It was the name Jacob that reflected, though it was the name of their ancestor.

What of the name Ichabod, which means "glory departed." Indeed it affected the house of Eli, for the glory of High Priesthood departed.

Jacob himself knew the importance of name that was why he quickly changed the name his dying wife gave to his child from Ben-oni meaning "Son of Sorrow" to Benjamin which means "Son of the Right Hand". Genesis 35:18. Some of the names especially the traditional names that many are bearing contribute negatively to the destiny of many. Imagine, someone that comes from the family of Esu worshipper and they now give him or her Esuseyi (literally meaning "Satan has done this"), how will such a destiny be useful to himself or to God. Or someone who is bearing Osidiran, that is hereditary poverty. How will such a destiny be free from poverty! Elegun is a name in Yoruba that means masquerade. When I was in the north I had some people bearing "Dutse" meaning stone. How will such a fellow be free from stubbornness or the one that is bearing "Waje" meaning outside be free from vagabond spirit?

How will someone that is bearing "Aja" meaning "Dog" be free from immorality, how will such be free from witchcraft!

Nabal, means folly and he ended up foolishly, 1 Sam 25:25 "Let not my lord, I pray thee, regard this man of Belial, *[even]* Nabal: for as his name *[is]*, so *[is]* he; Nabal *[is]* his name, and folly *[is]* with him...." Imagine the name "Udensi" which means the reign of charm, can such a person be free from charm making? Or Onwuka which means death is the greatest thing, how will such a person not go to any length to avoid death or he, himself becoming an agent of death.

Another name is Ezeananguruiyi, which means. "king that people come to swear to", will such a person fear God?.

Otori is another name which means a friend of god or idol. This is a name that they use to give to a male child that is born on the day of ritual to an idol or god. Now tell me how will such a boy be able to live a holy life. How will such a boy be able to please God of heaven and earth? Don't be surprised if you see such a boy having his own cloth for masquerade and causing problem for people and the entire society.

Another one is Adeku, which also means father of masquerade. This name is usually given to a child born during masquerade festival. Onyeku is the same as Adeku but rather given to a female child.

The traditional names that have to do with either gods or ancestors will definitely reflect their wickedness in the life of the bearer. Surely, names have caged many people.

Another important thing that must be noted is this, it is possible that the name you are bearing does not reflect your ancestors nor does it have anything to do with the idols of your ancestors, but do you know that the evil spirit of your ancestor may still give you the ancestral name in the spirit, which you will only be responding to in the spirit.

The children of Israel were not bearing Jacob again, but they never ceased reflecting the character of Jacob in their lives after several years of their existence as a nation.

So many people today are still answering the name of their ancestors in the spirit and that remain the reasons why they are reflecting the characters of their ancestors. Because of the name some people are still spiritually answering, they find themselves manifesting the problems of their ancestors, they are spiritually remote-controlled; which they will see themselves carrying out in the physical.

Some find it difficult to live right, not because they enjoy living wayward life but the will power to live right is missing in their lives, because of the demonic names which they are answering. Apostle Paul said in Romans 7:15 "For that which I do I allow not: for what I would, that do I not; but what I hate, that do I" and in verse 23 "But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members." The gene of your ancestors flows in you, so the ancestral name will surely be responded to when you are called.

But He that worked out perfect deliverance for Apostle Paul is still the source, He will do the same thing for you as you call upon His name.

- Ancestral names and your negative influence on my destiny, be erased by the blood of Jesus in Jesus name.
- Oh Lord my God, you have being in the business of changing names, you changed Abram to Abraham because you wanted to make him a father of many nations. Jehovah God, change my name from littleness to greatness in Jesus Name.
- Oh Lord, change my name from curses to blessings.
- Change my name from sorrows to joy.
- Change my name from poverty to prosperity in Jesus name.
- Spiritual ancestral name that I have been answering unconsciously, you are renounced by the blood that saved me in Jesus name.
- Ancestral name that is bringing evil to me whenever I am called by it, be erased by the blood of Jesus in Jesus name.
- Ancestral register where my names are written be burnt to ashes in Jesus name.
- Bitterness in any of my names, be removed by the power of the Holy Spirit in Jesus name.

YOU AND THE SIN OR WICKEDNESS OF YOUR ANCESTORS

Most of the problems that majority of the people find themselves in are as a result of what their ancestors have done one time or the other. What do you think will be happening to the generation of Cain? Hear what one of the grandsons of Cain said in Genesis 4:23-24 "And Lamech said unto his wives, Adah and Zillah, Hear my voice; ye wives of Lamech, hearken unto my speech: for I have slain a man to my wounding, and a young man to my hurt. If Cain shall be avenged seven fold, truly Lamech seventy and sevenfold."

Lamech knew the story of the wickedness of his great grandfather and that was why he could apportion rightful judgment on himself. The wickedness of his grand ancestor repeated in Lamech, Cain was a murderer and Lamech committed the same type of evil. The evil keep on escalating from generation to generation.

Except the blood of Jesus flush our veins of the evil blood of our ancestors that is flowing in us or else we will continue to abide in evil.

In the Bible, the ancestors from generation to generation increased in wickedness than expected, this became the reason why God destroyed the first world and saved only Noah and his family. "And GOD saw that the wickedness of man *[was]* great in the earth, and *[that]* every imagination of the thoughts of his heart *[was]* only evil continually. The wickedness of man became unbearable for God. This made God to detest his own handwork and image. God concluded in Genesis 6:7 that "I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them." Man has ever remain in the position of making God sorry right from the days of their great grand ancestors till now.

One of the grandsons of Ham, Nimrod who became a mighty hunter before the Lord (Genesis 10:6-10) led the people to a greater rebellion through the building of the tower of Babel, for the Bible says that "the beginning of his Kingdom was Babel" but led the people to build the tower in Genesis 11 which led God to confuse their tongues.

The Bible made us to understand that two out of the sons of Jacob by name Simeon and Levi (Gen 34:25) went to avenge on Shechem, Hamor and his people by killing all of them because of what Hamor did to their sister Dinah. This made Jacob to curse their anger in Gen 49:5-7, "Simeon and Levi *[are]* brethren; instruments of cruelty *[are in]* their habitations. O my soul, come not thou into their secret; unto their assembly, mine honour, be not thou united: for in their anger

they slew a man, and in their self-will they digged down a wall. Cursed [*be*] their anger, for [*it was*] fierce; and their wrath, for it was cruel: I will divide them in Jacob, and scatter them in Israel.

This sin which was committed by these people manifested in the life of one of their great grandsons. In the anger of that man, with bare hand, he killed a man. And even after God has called him to become a god to Pharaoh and also to lead his people the Israelites to the promise land, the same sin of anger that manifested in the life of Levi his grandfather which also manifested in him by making him to kill a man and then run away from Egypt, this anger surfaced again in the wilderness when he was leading the people of God.

God told him to gather the congregation together and then speak to the rock in their presence and the water, will come out, but Moses gathered the people together and spoke roughly to them because they have provoked the anger in him and instead of speaking to the rock alone, he hit the rock twice and the water gushed out ((Num 20:7-11). But because of this sin, Moses was deprived of getting to the promise land.

- Every ancestral sin that will deprive me of making heaven, be terminated by the blood of Jesus.
- Ancestral sin that want all my labour to be a waste, I conquer you in the name of Jesus.
- Ancestral sin that want to turn me to hell from the gate of heaven, you are dead in Jesus name.
- Every ancestral sin in my vein, be flushed out now by the blood of Jesus that redeemed me in Jesus name.
- You ancestral sin that do lift up your ugly head once in a while in my character, die in Jesus name.

- God said in Numbers 12:3 that "Now the man Moses *[was]* very meek, above all the men which *[were]* upon the face of the earth. "Yet the sin of his great grandfather caught up with him. You sin of my ancestors that is trailing me about, perish now in Jesus name.

- Ancestral sin that is bent on destroying what heaven is saying concerning me, you are destroyed in Jesus name.

This same anger brought setback to Moses. This same anger caused him to destroy within a second, what he suffered to get in forty days and forty nights without food or water. Exodus 32:15-19.

"And Moses turned, and went down from the mount, and the two tables of the testimony *[were]* in his hand: the tables *[were]* written on both their sides; on the one side and on the other *[were]* they written. And the tables *[were]* the work of God, and the writing *[was]* the writing of God, graven upon the tables. And when Joshua heard the noise of the people as they shouted, he said unto Moses, *[There is]* a noise of war in the camp. And he said, *[It is]* not the voice of *[them that]* shout for mastery, neither *[is it]* the voice of *[them that]* cry for being overcome: *[but]* the noise of *[them that]* sing do I hear. And it came to pass, as soon as he came nigh unto the camp, that he saw the calf, and the dancing: and Moses' anger waxed hot, and he cast the tables out of his hands, and brake them beneath the mount." This act made him to go on another forty days and forty nights fasting for him to get another two tablets of testimony from God.

Ancestral sin is always a setback for people. This sin never allowed the ancestors themselves to fulfill their destiny and the same thing holds in the life of their generations. May God in his infinite mercy deliver us and the generations to come from the sins of our ancestors in Jesus name.

King Solomon sinned against the Lord by turning away from following the Lord whole heartedly but the kingdom was torn during the reign of Rehoboam, his son.

Also, it was King Ahab that killed Naboth and did much wickedness than any other king before him which made the Bible to say that "And it came to pass, as if it had been a light thing for him to walk in the sins of Jeroboam the son of Nebat, that he took to wife Jezebel the daughter of Ethbaal king of the Zidonians, and went and served Baal, and worshipped him."

This king did much evil to the point of killing almost all the servants of God. Elijah said in 1 King 19:14 that "I have been very jealous for the LORD God of hosts: because the children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, *[even]* I only, am left; and they seek my life, to take it away."

The wickedness of this King made God to declare him that "He will make thine house like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah, for the provocation where with thou hast provoked *[me]* to anger, and made Israel to sin. And of Jezebel also spake the LORD, saying, The dogs shall eat Jezebel by the wall of Jezreel. Him that dieth of Ahab in the city the dogs shall eat; and him that dieth in the field shall the fowls of the air eat." 1 King 21:22-24.

All the above prophecies eventually came to pass during the reign of his son. His son Joram died, the seventy sons of the king in 2 King 9:24 and all the great men of Ahab with his close acquaintance and priests all died until there was none left. (2 Kings 10:7 and 11) It was also the wickedness of Mannaseh that caused Josiah, the faithful and obedient king to die at the age of 39. Hear what the Bible said concerning him "And like unto him was there no king before him, that turned to the LORD with all his heart, and with all his soul, and with all his might, according to all the law of Moses; neither after him arose there *[any]* like him. Notwithstanding the LORD turned not from the fierceness of his great wrath, where with his anger was kindled against Judah, because of all the provocations that Manasseh had provoked him withal."

The grandfather of Josiah sinned and it made God not to prolong the days of Josiah so that the wrath of God may quickly fall upon the people.

- Oh Lord, deliver me from the sins of my fathers that may be speaking judgment against me in Jesus name.
- The wickedness of my father that will make God to close his eyes of mercy against me, father, forgive me and forget it in Jesus name.
- Evil of my ancestors that will counter my good deeds before God be covered by the blood of Jesus.

In the early days of a ministry, in one of the programs that the Lord specifically told the man of God to be doing every month, as he was ministering in one of the programs, the Lord opened his eyes to see a placard painted with blood in front of a man and so he asked the congregation to pray against the demon carrying the placard and the placard. Thus, through the Holy Spirit, he got to know that a spirit of vengeance was following that individual.

Later, after that night program he saw the man, who was also a pastor in a very sound bible-believing church. This same man has had his Master's degree as far back as 1980s yet as at 2003, he had not even bought a bicycle. The man shared what has been happening to him. He shared how he and his wife were retrenched in one day, yet they were not working in the same place. He also told this man of God how he got visa together with two other people to travel abroad and on getting to the embassy, they cleared the other two people and he was nearly arrested as they accused him of impersonation, yet it was his real passport that was on the visa. Infact, he was driven back home where he continued to live a wretched life.

The man told that man of God how his father died miserably even though he was also educated. He also talked about how he stumbled on his father's diary where the man wrote that his own father was a warrior and while on the battle field, he conquered the strongman who was his opponent, who begged him not to kill him but he refused

and when he was about to die, he rained curses on the grandfather of this man and his generation that they will never succeed in life, but will always suffer right from cradle to the grave.

This curse came to pass in the life of the father of this pastor and even on him. But as the Lord God will have it, even though he had gone to several places, he himself as a pastor, he had undergone several marathon fasting and prayer but to no avail. But as God will have it, he got his deliverance while attending the program as he was invited after that program to come and head a state government parastatal. Praise the Lord.

A man of God also shared this testimony, it was about a man, a PhD holder who was deported from abroad and was so poor that he almost took goat's faeces for money. All his friends both home and abroad forgot about him. Things were so tough for him that he started going from one diabolical place to another yet they were unable to help him. He later got to a man of God who told him to go and pray and fast for six months. When he heard it, he ran away from the man of God and looked at him as a man who wanted him to commit suicide.

But after some months, when things did not change, he went back to the man of God but the man told him that he had no other message for him than what he told him. In short, he complied and he went into six months fasting and prayer and on the last night of the program, he saw himself in his family house, he was taking to a ditch, a dry well where many cars, houses and other valuable things were kept. Then, a personality appeared to him and told him how those properties got there and how he became the principality over all those properties.

He told the man that his grandfather was blessed with female children and the man was wealthy, but because the man wanted a male child at all cost, he entered into a covenant exchanging his wealth and that of the male children that shall be born to him for abject poverty.

After this revelation, he became conscious and he told the man of God who told him that before he could become anything in life, he must first conquer that personality. For him to conquer the principality, he was asked to embark on another six months fasting and prayer. On the last day of this three hundred and sixty five days prayer, he found himself where he was on the last day of the first six months prayers. But this time around, he was armed with a sword with which he conquered the personality and that personality declared to him that he is free among his brethren.

Since that time, his friends both home and abroad started calling him, he gained connections and he became stinking rich.

- All the evil works of my ancestors, be destroyed in Jesus name.
- The principality of my fathers that is behind my afflictions, you are dead by the sword of the Lord in Jesus name.
- Every evil covenant, fighting my gender, be abolished by the blood of Jesus.
- Holy Spirit, fight my battle for me and deliver me from ancestral attack in Jesus name.

What of a man that was invited by a village to help them do a kind of charm that will make that village victorious in battle and be above the other villages around them forever. The herbalist came, did the ritual and after everything, they bound the man and buried him alive, but before he died, he cursed the village and the inhabitants of the village both born and unborn. The curse uptill now is still working against some of the sons and daughters of that village. What will you say of the King and Queen in a town that deliberately punished a slave girl that the king impregnated? When the time of labour came, they asked her to climb the barn and she delivered a male child there. When she came down with the baby boy, they told her that for the child to survive, she must be feeding on the soup of affliction for nine days. She did this but at the same time, left a curse that before any woman will give birth to a child and that child will survive, she

must deliver her child on the barn and also feed on the soup of affliction for nine days. But those that failed to do it loose their babies.

I know a town where a king buried two of his children alive (one prince and one princess) just to make a place sacred that if anybody cheats one another, the moment they get to the spot where he buried his children alive, and they said what they should say, the judgment will follow instantly. But do you think that the souls of those children buried alive will bless their father and at the same time bless the people? Of course no, even if they wanted to, the agony of death that came suddenly upon them will make them to continually curse the people.

I once met an individual whom I prayed with in respect of her junior brother's visa lottery of which he eventually won and travelled to America. But getting there, there was no good job for the brother. The sister I knew later came to share with me the dream that her brother in America dreamt twice on two different occasions, which then make me to ask her the history of her ancestors. Then, she said she is from a royal family. I asked her to recite the eulogy of her fathers if at all she knows any. She recited the part she knows thus: "Omo a p'ekuro lori Eru, b'eru ba ku ao ra miran". Meaning the son of cracker of palm kernel on the head of slave, if the slave died he will buy another. But will the slave give up the ghost without first leaving curses behind? The effect of what the ancestors of that brother did still surfaced in his life in America. But I believe that the Lord has had mercy on the innocent brother that was suffering for the wickedness of his fathers.

I heard of another man in one Yoruba town who was a warrior during his life time. He went to battle and was victorious and he returned back home with spoils and booties, slave of males and females inclusive. But among the slaves he came home with, was a very young girl who later grew up in his house. She knew the warrior and his family as her father and his family as hers. When she attained marriageable age, she was compulsorily given to a man who was not ready to take care of her. This slave woman was put into the family way, and since she grew up to know herself as a part of the

member of the family of the warrior. She had several time went to complain to the family about the suffering she was undergoing. But, instead of attending to her need, they drove her away and asked her never to leave the man they gave her to. This suffering continued until the time of her delivery and at last she died at this point. But before she gave up the ghost, she cursed all the ladies that were born or shall be born in that family that: none of them will enjoy their marriage and at the same time die at her age. This curse cleaved to every lady that is born in the family of this warrior. But here is a sister who gave her life to Christ and never enjoyed her marital life for one day since the day of her marriage. Also, her major problem that pushed her to the praying mountain was incessant miscarriages. But when the source of her problem was discovered, it was already too late though through prayers she overcame miscarriages but the only pregnant she had successfully claimed her life at delivery.

- O Lord, by the blood of Jesus, terminate every poison of the wickedness of my fathers from my blood now in Jesus name.
- Life of sorrow as a result of the wickedness of my ancestors, cease through the sorrow my Lord Jesus went through for me in Jesus name.

Back to the case of Jeroboam, this king became the first king after Israel was divided. He was the servant of King Solomon who was given ten kingdoms out of the kingdoms of Israel because of the sins of Solomon. (1king11:31). But this king did not tarry with God who enthroned him before making his own gods of gold at Samaria which inturn became stumbling blocks of all other kings that reigned after him until Israel was taken captives by the Assyrian.

- The tempo of the ancestral sin increased as Omri mounted the throne and when his son Ahab came, he became worse through his wife, Jezebel to the point that during the time of Jotham, Ahaz and Hezekiah, the Lord had to speak through Micah about the sins of these two kings thus "For the statutes of Omri are kept, and all the works of the house of Ahab., and ye walk in their counsels; that I should make thee a desolation,

and the inhabitants there of an hissing: therefore ye shall be the reproach of my people." (Micah 6:16).

- Why are many people going about with shame and reproach? Is it because of their sins? It may not be all because of their sins but the sins of their ancestors. Omri kept statutes for himself and the generation to come. Ahab also continued in the evil ways of his father. But when other kings came, they could not overcome the evil they met on ground. All other kings that came after them could not cease to walk in their counsel. Even Jehu destroyed the statutes of Ahab and that of Omri his father, not only that, he killed all the priests and prophets of these statutes, yet spiritually the gods were still existing and the priests continued in their sacrifices to these statutes though in the spirit. Why? Because those places where those statutes were kept were already dedicated to certain evil spirits. Thus, it was the physical statutes that were destroyed but those in the heart of its followers were not destroyed.

YOUR ANCESTRAL REGISTER AND YOU

In the book of 1st Chronicles, chapters 1 to 9 talked about the genealogy of twelve tribes of Israel. Don't be surprised, your ancestors too have their books of genealogy. This book of genealogy may be in the physical and in the spirit.

The physical register may be kept by the clan secretary while the ancestral is maintained by the ancestral familiar spirit that is so used to anybody born in that family.

In this type of register are recorded the names of every baby born into that family.

This becomes the reason why you are known by the spirit of your ancestors by name. Atime, in the spirit, they are always represented whenever naming ceremony for a new baby is being done.

- My names in the ancestral book of my fathers be erased by the blood of Jesus.
- Spiritual ancestral book of my fathers, be consumed by fire in Jesus name.
- My names in the ancestral computer, be deleted and the computer, be burnt to ashes in Jesus Name.
- You record keeping demon of my ancestors, you are dead in Jesus Name.

YOUR ANCESTORS AND THEIR IDOLS

This is a continuation of the topic under consideration. This topic will not be complete without this very one, for in most cases, the sin of the ancestors or their wickedness emerged from the idols they placed down. Many of them, in the process of satisfying those idols, dipped their hands into more wickedness than they have ever done before.

From Micah 6:16, we read about the statutes kept by Omri. This statute is nothing but the idols of Omri and because it was the idols kept by a king, it became a national idol. Can there be an idol without an altar? Of course no. Therefore, wherever there is an idol, there must be an altar and there must also be a priest ministering to those idols.

But it depends on the type of altar. If it is of God, then the angels will be there to minister "And he dreamed, and behold a ladder set upon the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it." Gen 28:12.

Why were the angels of God ascending and descending? They were busy doing that to minister to the grandson of Abraham. No wonder, when he woke up, he made the place an altar unto God and when he came back from his journey, he returned there to worship God. In a situation where the altar is not of God, it is certain that demons will be there to minister also. The idols of our ancestors have their demons and there are priests ministering sacrifices unto all these idols. As the sacrifices were offered unto these idols so also do the demons to those idols ministers to the priests and the priest in turn ministers to the worshippers. But what are they ministering to the people? They minister death, sickness, failure, wretchedness, immorality, divorce, bareness, late marriages or no marriage at all. They minister violence, confusion, sins of different types like anger, malice, killing, fornication, witchcraft etc. They minister all the aforementioned and many unmentioned to the

people because Satan, that is behind those idols, demons and priests is not holy, therefore there is nothing that those priests and demons can give to the people except corruption, pollution in order to kill them, cage them and to do all things to them at will.

OBJECTS FOR SACRIFICE

The objects for sacrifices varies, it depends on the type of idol. Even in the Bible, some idols like Molech required children to be burnt to it. This Molech is a god to whom children were sacrificed at Tophet near Jerusalem. This idolatrous practice is vehemently condemned in Leviticus 18:21 "And thou shalt not let any of thy seed pass through *[the fire]* to Molech, neither shalt thou profane the name of thy God: I *[am]* the LORD."

Some idols' objects of sacrifices may be animals like dogs to a god in Yoruba land called "Ogun" (god of iron). To some, it may be any kind of animal or birds. Some objects may be beans or even roasted yam. But what to note here is that, the blood of the innocent children that were burnt alive will forever be crying for vengeance. In our contemporary time, where they are still using human beings for sacrifice, they are fond of using either slaves, or strangers. But it is certain that at the time of giving up the ghost, such victim curse the land and its people. This resulted into the ancestral curse that is following some people till today.

Some years back in the early 2000's, some ministers of God and I went to a town in Kwara State. I was there with a pastor friend and his deliverance team. On getting there, the Lord moved tremendously but a young girl who love God so much was among the group that invited the church of my pastor friend to come and teach them on deliverance. We learnt that the young girl used to prophesy and her prophecies used to come to pass, but the problem was that whenever she was prophesying, a spirit would cast her down and be tormenting her.

That night, we were implored by her group to pray specifically for her and her deliverance and if I may guess right she couldn't have been more than 18 years old. To our utter amazement, that demonic spirit started talking about the things that happened during the time of her great grandfather, things that she cannot say anything about in her consciousness.

What was that spirit saying? The spirit talked about how the grandfathers of that girl killed a slave after he/she has stayed with them for so many years, but when the time to kill him/her came, he/she pleaded with them but to no avail. At the point of death, the spirit cursed them and their generations unborn that at his/her age, they will be dying and it has been happening like that. But because this girl had accepted Jesus into her life, she could not be killed like the others, so she was being tormented and afflicted to the point where she would be frustrated and completely renounce Jesus so that she may be killed like her ancestors.

Oh Lord, by the blood of Jesus, let every inherited curse from my ancestors be stopped in Jesus name.

Now a day that sacrifices and attention is no longer paid to these idols because we have accepted Jesus as our Lord and Saviour, yet I want you to know that they are the ones responsible for most of the things happening in our societies. At times, when the demons of our ancestors need blood, they go and cause crisis that will lead to shedding blood among the people. Sometimes, they go to the road and cause accidents or cause epidemic breakout among the people.

To get blood for sacrifices at some other times, they make the people wayward to the point of a father having illicit affair with his daughter, snatching of one another's wives which, may lead to killing of each other. Also incest which is sex between blood related people, sex abuse and so on is encouraged by these demons. Well, you may say that is not bloodshed, but I want you to know that your semen that came out of you is blood which they seriously need in their demonic world.

Why do you think that some ladies enjoy drinking men's semen? Do you think it is just for the enjoyment? Better pray these prayers:

- Oh Lord, deliver my blood from the altar of darkness today in Jesus name.
- My semen on the altar of Satan, you are polluted by the blood of Jesus.
- Every demon projected into my destiny through illicit sex, in the name of Jesus, jump out.

YOUR ANCESTORS AND THEIR DISEASES

Some people today are suffering from the diseases of their ancestors. This type of sickness or disease can be referred to as hereditary disease. Inherited diseases are diseases resulting from the effect of having defective genes. These diseases are inherited because genetic material is accurately copied before being passed unto the offspring from a parent. In the Bible, Abraham did not have Isaac until he was one hundred years old, so also, Isaac married at the age of forty but did not have his twins until he was sixty years old. Thank God this did not continue on Jacob.

I have heard of a brother who was going to a church that serves God very well and this brother who is now late also feared God. During his life time, he used to have pus coming out of his ears, no one would be able to stay near him because the odour was very offensive. We were told that that was the sickness that killed his fathers, though his immediate father escaped it, but it bounced back on this brother.

As holy as this brother was, it was this disease that killed him. Gehazi and his generations were cursed by the prophet Elisha that the leprosy of Naaman shall cleave to him and his generation. How will his generation be free from the sickness of leprosy? 2Kings 5:27.

I also grew up to know a family that whenever they grow to a certain age, they use to become insane. At least, I have seen it happen to two people who were from that family. I also know a family who were once in the same church I was then. Three sisters of the same father and mother. The younger one was the first person that completely went blind, followed by the youngest. But the eldest of them all was also having partial sight and she used to lead her sisters. When I moved closer to them, I got to know that their father died as a blind man. They inherited blindness from their father. Some people's hypertension is hereditary; some whose own is diabetes is also hereditary. I have heard of a family where what has been killing them is cancer. Have you tried to find out the source of your sickness?

- Every gene that has brought hereditary disease to my life, be purified by the blood of Jesus.
- Sickness of my ancestors, by the stripes' of Jesus, you are cast out of me in Jesus name.
- I declare in Jesus name, I escape the sickness that killed my ancestors
- I am now a new creature; therefore, I am free from the old nature that is compounded with diseases of my fathers in Jesus name.
- Every curse and covenant behind the diseases of my fathers, break and fail over me in Jesus Name.

SOME OF THE REASONS FOR WHAT YOU ARE

As we have read before, most of the wickedness of our ancestors are automatically passed unto us through blood. For instance, your temperaments can not be far from what your fathers were. In a family where their own custom is to eat soup of affliction for some days by a nursing mother, how do you expect such a child to be free from anger? Infact, whenever they are angry, they used to say that it is the tasteless soup of his fathers that have arisen in him. They believe that a child born into their family that doesn't get angry often must be a bastard. Such a child cannot be far from being choleric or melancholy in nature.

A man of God was led one day to go and visit a person, and as he was praying there, he was saying out what he saw. It should be noted that he had never been to the town of the wife of that brother nor did he even know the name of that town where the woman is from. But as he was praying, he mentioned a hut and the gods that were placed there. He saw a priest with palm fronds round his waist sacrificing on behalf of every child of that family. Yet, this sister was born again for several years and even when she married, she married as a virgin.

It was revealed that day, that they never ceased sacrificing to the idols of her father's house on her behalf. Now the question is, how will such a sister be able to maintain her stand in the Lord when the priests of her family do not cease to invite her spirit to the idols of their house? Ezekiel8:7-12.

Can you now see why you have not been able to do the will of God? You know that most of the time it is what you hate that you find yourself doing. Even though you claim to be a believer yet you have not ceased to unconsciously do the wills of the gods of your father's house.

Again, I want you to know that the shrine of the idols of your house has never stopped cursing you till now, just because you carry the gene of your fathers and

the covenant they made with these idols are waiting for their fulfillment from you. A brother was a banker, but he was born to be the priest of the idols of his father's house. But as God will have it, he met with Christ and he became a Christian.

When they did everything possible to bring him back to the village and they failed, they smote the brother with multiple diseases, one of which was tuberculosis.

Naturally, there was no hope of recovery for this brother, but when prayers were made on his behalf, he received a divine visitation, for the angels of the Lord visited him, operated him and he stood up that same day for the first time and walked out of the hospital to see some of his people.

A brother, though born again yet was stubborn and self-willed. It was later discovered that the brother was the product of the sex that his parents had in the presence of a goat!

- Some people have sex in their dreams and this is because they have been espoused to one of the idols or demons of their ancestors
- Miscarriage at all times is the problem of some people. This experience used to come after a personality has had affair with them in their dream. Look! It is demons of the ancestors of such person that are using their embryo for sacrifices.
- Are you a sex mania and you can do nothing about it? Know for sure that you are only doing the will of the idols of your ancestors. Do you know that every satanic or witches festival is always rounded up with perverted sex? For through this, the demons and Satan himself gain more power. So also it is with you, if you are not satisfied or okay until you have met with the opposite sex, then know that it is the program of the ancestral demons in your lineage.

- Your own is jumping from one spouse to another, look! Jesus said that the will of your father, you will do (John8:44a). Satan divorced the holiness and righteousness of God and became married to corruption.

Why do you hate God? It is because your generations past were haters of God and that is what is in your blood.

- You always find it difficult to forgive because Satan himself never forgive nor forget (like father like son).

- Generational curses are always behind some people's action. This curse will be pushing them to always misfire since it has been so right from the days of their ancestors.

- Every power manipulating me, fail and be no more in Jesus name.

- Influence of the idols of my fathers over my reasoning and action be destroyed by the blood of Jesus.

- Covenant of hell, break in Jesus name.

- Spirit and power of vengeance over me, fail in Jesus name.

- All my evil experiences stop in Jesus name.

LEGAL GROUND FOR THE OPERATION OF THE ANCESTRAL SPIRIT

The natural legal ground for the operation of the ancestral spirit is the genes that bind both the existing generation with those that have gone. Blood is thicker than water so they say. No one can deny his or her blood. This is the reason why many, through their behaviour and character can be easily traced back to their ancestors. The demons of the ancestors are so familiar with all the genes that come from the ancestors that entered into covenant with them. For this reason, there is no hiding place for anybody from the spirit of the dead ancestors. Changing of location, town or village cannot make somebody to run away from the spirit of his/her ancestors. Another legal ground for the operation of the ancestral spirit is ancestral marks. These marks may be visible or not. Some peoples body have been tattooed with the image of an ancestral beast like snake, lizard, scorpion etc. with any of these marks on a man, the ancestral spirits that gave the ancestors as the symbol of the covenant with them can never cease locating them even when they run abroad. At sometimes, the legal ground may be that whenever a baby is born, the first place they take such a baby to is the shrine of an idol and there they dedicate the baby to the gods of their ancestors. Surely, even when he becomes a Christian, the demons of those ancestral idols will still be trailing him around.

What they give to the new born baby in some places is ancestral water especially where the ancestors have had covenant with certain water spirits. Such a child may never be free from marine spirit.

As already stated in the previous chapter of this book, the means of the legal ground for the operation of the ancestral spirit may be through the type of food taken by the mother of the new baby for certain number of days purposely because of the baby. This means no other thing but covenanting the baby with the ancestors of his or her fathers.

Another medium for legal operation of the ancestral spirit is where the placenta of the baby is buried. Some family has a specific place where they must bury the placenta of every baby born to them. The reason is that, they are using that as a means of covenanting the children with the ancestral spirits. In some compound, the only person that can bath the newly born baby is the most aged person (woman) in that compound. No wonder, many destinies have been injured right from the day when they were born. May God have mercy on us. Some have ancestral cloth that they use in wrapping the newly born child in their compound. Though this may not be common nowadays but, be aware that the spirits of your ancestors still have their legal ground to operate in you except you break all the known and unknown ancestral covenants of your family.

COMMON TIME OF THEIR OPERATION

The most common time of their operation is during the dream time. Most of the new generations are not so used to the ways through which their ancestors use to serve their idols. Some don't even know anything about where they came from.

However, genetically, the spirit of the ancestors of their father will still locate them. Therefore, they are fond of visiting their captives in the night time especially when such a person is sleeping.

They may visit their captive in form of spirit husband or spirit wife. This is always in form of spiritual sex with either known or unknown personalities in the dream.

Some ladies may even see themselves backing or breastfeeding a baby. Some are fond of seeing their dead relatives while others usually see themselves in the midst of unknown people. To others, it may be constant eating in the dream wherein they are unaware of the caterer.

A brother shared his experience with me around 1996. The brother used to eat pounded yam in his dream but the cook was an old woman and after eating the food he would wake up filled. The irony of it was that, things would not be going on well with him physically.

What some other people experience is that they may be seeing themselves in the midst of snakes, some in the bush, others beside or even inside rivers.

There are some people that see masquerade pursuing them in their dreams or even eating raw or cooked meat with some group of unknown or known people in their dream. There are so many ways through which one can be noticing the operation of this ancestral spirits in the night.

THE UNCOMMON TIME

The uncommon time is during the day time or through open vision or physical appearances of the spirit of the ancestors as it was recorded in the book of Genesis 6:1-4.

I heard of a woman who had a spirit husband who used to visit her in the day time even when she was in the midst of people. The woman used to see him physically but the other people around her will not. What this woman used to do most of the time was to take excuse and go to her bed room if it was in her house or where so ever she could have an affair with the spirit husband.

The woman confessed that her spirit husband used, to touch her physically and at the same time had sex with her and the semen would be seen in her private part after the coition.

One of my pastors' friends also shared this with me: there was a man that used to have strange experience every night preceding the day a good thing would be given to him.

What was the experience? He used to find himself drunk with palm wine in the dream and whenever he woke up in the morning; his lips would taste palm wine physically. What made his case ancestral was that the ancestors, were "Ogun" worshippers (God of Iron) but they no longer worship it and one of the thing they use to worship this god is palm wine. Thus, his ancestors will now make him drunk in the dream. Lo and behold, whenever he experiences this, the good thing coming to him will cease to come

-Every strange experience through the spirits of my ancestors, stop in Jesus name.

SOME OF THE MISSIONS OF ANCESTRAL SPIRITS

John 10:10 says "the thief cometh not, but for to steal, and to kill, and to destroy...." The mission of the thief is what the Bible has told us. So is the mission of the ancestral spirits. Theirs is to steal, kill and destroy. Many that were divinely born with glory are no longer glorious now because the thief has succeeded in stealing their glory and is planning to kill them and send them to hell. I pray that the Lord in his infinite mercy will destroy all the program of the spirits of your ancestors for you in Jesus name.

A sister in my former church said that their own was that all the ladies that marry legally or lawfully must end up with broken marriages and thus will have to remarry another man. The mission of the ancestral spirit in such a family is to scatter homes and to make sure the ladies in that family end up in the sin of adultery.

A sister, who was up to a marriageable age but had no suitor continued in intensive prayer and yet there seems to be no solution. When she saw a brother who promised to marry her; the very day the brother was supposed to go for her introduction ceremony, he had accident and died. Another man came her way and the same thing happened to him. It was then that she knew that her case was not ordinary. She joined a church and after series of deliverance exercise, she had a dream and a man appeared to her and asked her if she really wants to get married and why she is troubling herself. The personality then started beating her to the point of almost stripping her naked in her dream. This was so, because she was already dedicated to the spirits of her ancestors. The mission of that ancestral spirit is to see that such a sister does not marry in life. So also were two sisters of the same father and mother who were at the time I knew them about forty-one and thirty-eight years old respectively and are still searching for spouses. I doubt whether as at the time of writing this book they are yet married.

A sister said that whenever she conceived, after some months of her conception, a personality would appear and have sex with her and immediately after the sex, she would see blood and that was how she had been having miscarriages.

Another sister that I know very well who is already above fifty years and not yet married used to see the gods of her fathers always represented by a python. The first time she came for deliverance, the Lord killed two out of the three pythons that used to trouble her. But what baffled me most was that she was pleading even in her own consciousness that the third python should not be killed. Even at the time of writing this book, she is still single.

At times when one is fond of seeing his dead ancestors in his dreams, it is possible he may end up being killed by the type of sickness that killed those ancestors, especially if he is very fond of eating with his dead ancestors.

Seeing one's ancestors in the dream always may continually bring failure to one's endeavours because whenever they come like that, they are making the grace to succeed in such a person dead.

Most importantly, the mission of your ancestral spirits is to frustrate your faith in Christ if at all you are born again. They will like you to follow the path of your ancestors to end up in hell. You will not go to hell in Jesus name.

They always make holy living very difficult and for that reason, they will continually be stirring up the sins of your ancestors, as they did for Moses in the bible though it was the people that Moses was leading that pushed him to the wall.

I remember the story of a brother who was supposed to die at the age of fifty because that was the age that his ancestors used to die. When this brother was approaching this age, he started having all kinds of bad experiences both in the dream and in the physical. At times he would be involved in an accident and it would be only him that would be injured. Well, this pushed him to God and God broke the

evil covenant of his ancestors for him. By the grace of God that brother exceeded fifty years of age.

- Program of my ancestors to kill me prematurely is aborted in Jesus name.
- Mission of the spirit of my ancestors to send me to hell, be intercepted by the power of the Holy Spirit in Jesus name.
- Manifestation of the wretchedness of my ancestors in my life, stop by the blood of Jesus.
- Oh Lord, by your grace, the spirit of my ancestors shall never succeed in depriving me of what I ought to be in life in Jesus name.
- Oh Lord, empower my spirit man with your fire in Jesus name.
- Ancestral sin, stop to operate in both my consciousness and sub consciousness in Jesus name.
- The inroads of the ancestral spirits into my life, be taken over by the fire of the Holy Spirit in Jesus name.
- I overcome every habit renewing my covenant with the spirit of the ancestors of my father in Jesus name.

In summary, the missions of the spirits of the ancestors are contained in Matthew 23:2, 29-35; 2nd Chronicles 11:21; 13:21.

- So that one will not be able to please God or do His will.
- Secondly, to make the land become abominable before God. "Notwithstanding the LORD turned not from the fierceness of his great wrath, where with his anger was kindled against Judah, because of all the provocations that Manasseh had provoked him withal. And the LORD said, I will remove Judah also out of my sight,..and will cast off this city Jerusalem which I have chosen,..." 2Kings 23:26-27. This will happen because Manasseh has made the land abominable before God.

-To always cause people to die the way their ancestors died. 2Kings 23:29, Josiah died at the age of thirty-nine despite all his obedience and faithfulness to God.

- Another mission is to see that people are not free from the vicious problems that their ancestors went through.

- Their mission is to see that one is not free from the curses that worked against the ancestors.

- Furthermore, they use to see that one is already into the covenant made by ones' ancestral idols.

-Lastly, to see to the enforcement of all the past generational evil on the new generation.

GREAT DELIVERANCE FROM ANCESTRAL POWERS

"And ye shall know the truth, and the truth shall set you free" John 8:32. Satan is so smart in working on one's ignorance. But by His grace, your knowledge about your ancestors and their operations has greatly increased. I believe that by now you know the reasons why some things which you have been handling with levity are happening to you. Therefore, I want to believe that ignorance is foolishness, ignorance is a curse that must be broken, ignorance is sickness and death.

Having known the root cause of your problems and the truth of all the matters, then you should know the truth about your complete and perfect way out of all the works and programs of the ancestors.

Great deliverance came to man through the divine sacrifices made for the redemption of man. For the word of God that has being from the foundation of the world manifested in human form and he suffered as man, died without sin, buried and spent three days and three nights in the grave, resurrected on the third day and ascended to heaven to live forever and ever. The Word of God called JESUS CHRIST has bruised the head of Satan (that old serpent) and he has destroyed his agents; death and grave, he destroyed his work also (sin) for as many as received Him as Lord and Saviour.

The question is this; have you received Him as your Lord and Saviour? If you have not, you will ever remain under the control of the ancestral power of your fathers. The bible says in John 1:12 that as many as received Him are given power to become sons of God. Your acceptance of Jesus into your life will force powers of your ancestors out of you.

But you are the one who will reject those powers by yourself, by so doing, you open the door of your life for them to get out of you and at the same time for Jesus to come into you.

Receiving Jesus as your Lord is at the same time renouncing the covenants of your ancestors for the new covenant made by the blood of Jesus Christ. The Bible says that if the first covenant is not faulty, there will be no need for another. If the evil covenant of your ancestors is not faulty, there is no need for a new one that is made with the blood of the Son of God. But because it is faulty, that is why the spirits of your ancestors are chasing you up and down both in the spirit and in the physical.

Hear what the Bible says "shall the prey be taken from the mighty, or the lawful captive delivered?" Isaiah 49:24.

Look! You are a lawful captive of your ancestors and they are spiritually mightier than you, you are human, that is why most of the time they penetrate into your life through your sub consciousness. A man who has for several years renounced the gods of his fathers (god of iron) was gotten by the spirit of his ancestor through his sub consciousness and put him into the act physically. The story was that his grandfather was the slaughterer of sacrifices to that god, but the grandson took another religion and does not worship that god again. About a month to the time he was to be spiritually remoted to offer sacrifices to the god of his ancestors, he was sharpening his cutlass from time to time.

A day or two to the day the sacrifice would occur, he went to the police station to report that there will be bloodshed but nobody took him serious. On that fateful day, he went to his office and later rushed back home, there he saw two of his children and he beheaded them. He would have killed his entire household if not for the people who rushed in to bind him. Do you think he would do such a thing if he

was conscious? Of course not. Therefore, he was a lawful captive to the power of his ancestors.

Thank God for God for he said in verse 25 that "But thus says the Lord, even the captives of the mighty shall be taken away, and the prey of the terrible be delivered, for I will contend with those who contend with you". The only one that can fight for your deliverance is Jesus Christ who shed his blood to condemn the ancestral powers of your fathers.

Brothers and sisters you need Jesus, he is the only one that can save you.

All you need to do is now to confess all your known sins and renounce them. Confess the sins of your fathers too and renounce them. Proverbs 28:13 says, "He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy." While 1John1:9 says, "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."

Not only that, accept Jesus Christ into your life as your Lord, Master and Saviour. Ask him to come and take over your life and promise him never to serve sin and Satan again.

Ezekiel 18:2-3 "What mean ye, that ye use this proverb concerning the land of Israel, saying, The fathers have eaten sour grapes, and the children's teeth are set on edge? *[As]* I live, saith the Lord GOD, ye shall not have *[occasion]* any more to use this proverb in Israel." This is the promise of Jehovah God to you, that you will not suffer for the wrong of your fathers again as you decide not to follow their ways.

Are you genuinely born again and you are still experiencing the affliction of the power of your ancestors?

Then be ready to pray; for Satan as recorded in Isaiah 14:17^b that "who did not open the house of his prisoners" why? So that they may remain his captive. But

thank God for Jesus that went to hell to deliver the captive by opening the house of the prisoners of Satan by power by force. 'Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in. Who *[is]* this King of glory? The LORD strong and mighty, the LORD mighty in battle. Lift up your heads, O ye gates; even lift *[them]* up, ye everlasting doors; and the King of glory shall come in. Who is this King of glory? The LORD of hosts, he *[is]* the King of glory." Psalm 24:7-10. Praise God.

Jesus has conquered for you and me, therefore know your right and be free from ancestral yokes. Hear this again" For as much then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil; And deliver them who through fear of death were all their life time subject to bondage" Hebrew 2:14-15.

For your sake and mine, Jesus has destroyed Satan, and delivered the children of your ancestors from the bondage they bagged for them as a result of the fear of death which eventually cleared them off the earth. Therefore, know that you are not under that faulty covenant again. Know that you are in the covenant made with the blood of Jesus, the Son of God. Know that the blood of the covenant of the Son of God is judgment and condemnation to sin, Satan and death.

Break all the links to the ancestral sins by destroying their idols, priests, demons, shrine, their occult wears, materials and so on.

Redeem back all your rights and benefits that the demons of your fathers may be sitting upon by the blood of Jesus. You can now embark on the prayer of mercy, God said, He will have mercy on those he will have mercy. The same God said that mercy reigns and rejoices over judgment. James 2:13.

All these passages are telling you that our God is a God of mercy and he will have mercy on you and your generations in Jesus name. The sins of the ancestors have brought all kinds of curses and reproaches to many and nothing can wash all these things away except by the blood of Jesus. Isaiah 43:27-28. Why can't you begin to plead the blood of Jesus on your foundation. Your foundation is your ancestors. But with the blood of Jesus all those faulty foundations shall be corrected right now in Jesus name.

The thought of God for you and me is not of evil but of peace. As you pray for your deliverance, it is necessary you know the word of God concerning your deliverance if you want to pray aright. For the powers of your ancestors fear nothing than the word of God.

Fasting with prayer is also necessary, if you also know a church where they are truly calling upon the true God of heaven and earth in holiness and righteousness, I will advise you to make yourself available there for deliverance.

My brothers and sisters, you must break free from the problem and spirits of your ancestors, even if it is only for you to make heaven. Many believers that came from most of this wicked ancestral family some how do go back to their old ways. Imagine, the son of an herbalist who gave his life to Christ and later became Pastor but when things became a little hard, he ended up adding diabolical powers to God's work. Look! It is his foundation that overcame him. If you are like that, you can repent and heaven will once again rejoice over you.

- Every conclusion of hell over my life, be abolished in Jesus name.
- As for me, I will not end up my life in hell in Jesus name.
- Covenant with death and hell made on my behalf by my ancestors is broken in Jesus name. Isaiah 28:18.

- The death and resurrection of Jesus Christ shall not be in vain over me in Jesus name.
- Unseen hand of the ancestors manipulating my life, you are cut off in Jesus name.
- Yokes of the evil of my ancestors on me, by the anointing of the Holy Spirit you are broken in Jesus name. Isaiah 10:27.
- Every power visiting the iniquities of my fathers on me, become useless by the blood of Jesus that redeemed me in Jesus name.
- Jesus took captivity captive and gave gift to man. Therefore, you my captors, go into captivity in Jesus name.
- The gift of salvation given to me, the gift of life and peace given to me begin to manifest from hence forth in Jesus name.
- Generational evil water flowing into my life, be stopped by the Spirit of Jehovah God in Jesus name.
- I am free from every ancestral spirit ruling and reigning negatively through my sub consciousness in Jesus name.
- Thank you Lord for my deliverance. Halleluyah

God bless you.
